# WWT – WHO ARE WE

- WWT is Oracle Solution Provider WWT has been working along with customers do business better by leveraging our industry-wide experience, deep technology expertise, comprehensive portfolio of services and vertically aligned business model.
- WWT's Commitment - To develop a long-term, mutually beneficial partnerships with our clients and partners. We work hard to maintain relationships to resolve technical problem, or ask for advice on IT strategy, at WWT we guarantee that you will always have direct access to full-service consulting and services solutions to decipher complex resolutions.

# WHY WWT – REAL VALUE

- Our qualified team are the leading experts in their fields across industries and business functions.
- WWT is comprised of a strong management team with over 35 years of combined experience working on Oracle solutions and with some of the world's most successful dedicated systems integrators. Our team has assisted several medium and large organizations with implementations and upgrades.
- Our specialists understand technology and understand business delivering real business benefit value.

# WHEN WWT – Always ON ( Global Time Zones)

- Global organizations rely on WWT's Oracle practice to help them with faster adoption and return on investment across the Oracle suite of products.
- We provide end-to-end services that range from consulting, implementations, roll-outs, and upgrades to application support and maintenance.
- Transforming Knowledge that gives clients Wisdom and the edge in creating wealth and fortune. Round the clock in global time zones.

# WWT TEAM

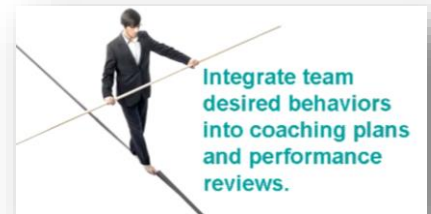

- WWT believes that the fundamental key to creating wealth is knowledge. We are focused on providing quality IT solutions and services. We are proud of our people, values and on how we do our business.
- We always strive hard to attract and retain talent who enrich our company. WWT acknowledges that critical challenges facing business leaders lie at the intersection of information management and human collaboration.
- We are staffed to serve customers across the GLOBAL Time Zone helping them get the most from their technology investments.

# WWT BELIEFS AND VALUES

- The worth of life is limited to the knowledge at disposal and wealth is limited to the knowledge one operates with. This is why WWT feel it is important for us to develop and implement various programs to better communicate with our employees, to support them in the many aspects of their lives – professional, family, and personal – to encourage them to adopt a wealthy, healthy and active lifestyle, and to recognize and reward their unique contribution.
- At WWT, we believe that such initiatives have the power to make a difference in improving our employees' quality of life at work and at home.

# THANK YOU
